

Website Order Flow

Recognition → Artists (A–Z) → Tickets & Packages → 3D Layout → 3D Stage → Merch → Venue → Track Selection

Recognition

Show credibility and proof that the event and brand can deliver at an international level.

Include:

- Previous event history
- Past production highlights

Purpose:

To demonstrate reputation, market presence, audience trust, and capability to execute an international-standard experience.

Artists (A–Z)

Artists should have a dedicated slideshow/carousel section on the website.

Include:

- Artist photos
- Artist bios
- Label affiliations
- Signature tracks
- Set style and musical direction
- Previous major performances/festivals
- Embedded music previews or playlists
- Social media and streaming links

Purpose:

To professionally showcase the lineup while presenting the musical identity and quality of the event experience.

Tickets & Packages

Show exactly how ticketing will be structured.

Include:

- Ticket categories (GA, VIP, backstage if applicable)
- Pricing tiers
- Package inclusions
- Capacity allocation per tier
- Estimated sellout strategy

Purpose:

Ticket structure, pricing model and audience experience across all categories.

3D Layout

Upload a full venue layout render.

Include:

- Stage location
- Audience areas
- VIP zones
- Bars / F&B
- Entrances & exits
- Artist compound
- Restrooms
- Medical & security
- Brand activations

Purpose:

To demonstrate audience flow and operational planning.

3D Stage

Include:

- Stage renders
- Lighting & LED concepts
- DJ booth setup

- Crowd perspective renders
- Day & night visual concepts

Purpose:

To demonstrate the visual production identity and technical capability of the event.

Merch

Show merchandise concept and sales plan.

Include:

- Event merch mockups
- Brand collaboration ideas
- Merchandise booth location

Purpose:

To demonstrate brand extension and audience engagement.

Venue

Provide complete venue details.

Include:

- Venue name
- Photos
- Accessibility
- Why it fits Anjunadeep

Purpose:

To demonstrate venue suitability and alignment with the Anjunadeep experience.

Track Selection

Present the musical identity and journey of the event.

Include:

- Curated playlist direction
- Opening to closing progression
- Artist sound alignment
- Signature tracks and inspirations
- Day-to-night musical journey

Purpose:

To demonstrate understanding of the Anjunadeep sound, audience expectations, and overall event experience.
